## Macquarie year in review

As the year draws to a close our thoughts go out to those having had a difficult harvest due to the inclement weather and to those loved ones that have passed.

On a positive note, we are midway through the embryo flushing of our elite high performing ewes with the first two programs yielding a remarkable 11.7 and 9.5 transferable embryos per ewe. These results will allow us to impregnate 800 recipient ewes with our best genetics. A big thank you to Greg and the Central West Genetics (CWG) team.

## 18th Annual Production Sale

Above all expectations our 18th annual ram sale broke a few breed records. 196 hogget rams sold to a top of \$7000 (David & Annie Berrell, Midgery Dohne Stud Walgett) and averaged \$3518 for a 100% clearance. Rams were sold to NSW, Qld, Vic & SA. Pleasing was the 5 new purchasers but most pleasing was the support from clients we've had for up to 20 years who purchased 85% of the offering.

## 17th Annual Victorian Sale

Macquarie sold 13 rams to \$5,000 and averaged \$2385, \$329 up on last years average. The top-priced \$5000 ram was bought by Darren Gurnett and Michelle Sutcliffe, Gunyado Dohne stud, Kerang, VIC. .

With the total clearance of 13 rams they were sold to both repeat and new clients.

*SALE-TOPPER: John Nadin, Macquarie Dohne stud, Ballimore, NSW, sold the top-priced ram to Gunyado stud principals Darren Gurnett and Nutrien Ag stud stock sheep specialist Stephen Chalmers.*
